

GoPower Watch

Portable Battery for Apple Watch

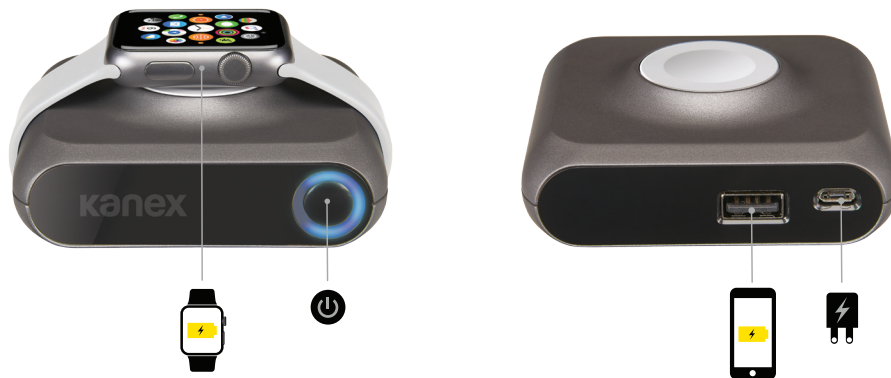

kanex

- 4000mAh battery provides up to 6 charges for your Apple watch
- Additional USB port to charge your favorite mobile device
- LED indicator displays the life of the battery
- Smart over-charging and over-current protection circuitry to protect your valuable gadgets
- Light-weight and portable for a perfect travel companion

Charge Apple Watch 6 times

Kanex GoPower Watch comes with 4000mAh capacity battery and delivers up to 6 charges to your Apple Watch.

Integrated Inductive Charging

Designed for the Apple Watch with the same magnetic inductive charging technology as the original Apple Watch charging cable, inductive charging is activated instantly when charger's magnet aligns with the Apple Watch.

Dual Charging

Charge Apple Watch and iPhone simultaneously.

Priority Charging Detection

Enables pass-thru charging feature. Your devices get charged first, and then the battery pack recharges itself.

Power Management and Protection

Built-in surge protection for your device.
